5.08mm Pluggable Terminal Block

KF series pluggable terminal block connectors with 5.08mm pitch. This two-piece, plug and header pin design of "pluggable" terminal blocks speed and simplify board replacement and reduce costly downtime and misconnections. These pluggable terminal block connectors can accommodate cables up to 1.5mm² and are available with 2 to 16 contacts. Terminal pin available in straight and right angle orientation.
SKU: CON1105

Brief Data:

- Series: KF2EDG-5.08.
- Number of Contacts: 2~8.
- Pitch: 5.08mm.
- Number of Rows: 1.
- Mounting Type: Cable Mount.
- Gender: Female.
- Termination Method: Screw Down.
- Type: Plug.
- Current Rating: 10A.
- Terminal Orientation: Right Angle & Straight.
- Color: Green.
- Voltage Rating: 400V.
- Material: PBT.
Mechanical Dimension:

Unit: mm

Female Plug:

Male Header Right Angle Pin:

Male Header - Straight Pin:

HandsOn Technology provides a multimedia and interactive platform for everyone interested in electronics. From beginner to diehard, from student to lecturer. Information, education, inspiration and entertainment. Analog and digital, practical and theoretical; software and hardware.

HandsOn Technology support Open Source Hardware (OSHW) Development Platform.

The Face behind our product quality…

In a world of constant change and continuous technological development, a new or replacement product is never far away – and they all need to be tested.

Many vendors simply import and sell wihtout checks and this cannot be the ultimate interests of anyone, particularly the customer. Every part sell on Handsotec is fully tested. So when buying from Handsontec products range, you can be confident you're getting outstanding quality and value.

We keep adding the new parts so that you can get rolling on your next project.
